**TAKE THE NY WATERWAY FERRY TO THE NEW YORK AUTO SHOW
WITH REDUCED-PRICE ADMISSION COMBO TICKETS**

The Auto Show runs April 15 through April 24 at the Jacob Javits Center

March 28, 2022—The New York International Auto Show is returning to the Jacob Javits Center this Spring, and NY Waterway ferries are the fastest, easiest and most direct way to get to there. This year, the Auto Show has reduced admission prices for NY Waterway ferry riders as part of NY Waterway's Ferry-Auto Show Combo Ticket.

The Combo Ticket includes round-trip ferry rides from Port Imperial/Weehawken to Midtown/W.39th St. and discount admission to the Auto Show. NY Waterway provides free connecting shuttles from its Midtown Ferry Terminal directly to the Javits Center, also just a short walk away (directly across the street).

Riders can buy combo tickets online and redeem their e-tickets at the Port Imperial Ferry Terminal (in Weehawken) for round trip ferry tickets. Combo tickets are \$32 for adults and \$17 for children (6-11), saving \$3 on original full price show admission for adults and \$2 for children.

Visit nywaterway.com/autoshow.aspx for information and to purchase discounted combination Ferry/Auto Show tickets.
