

June 19, 2018

To our valued Edgewater to Midtown Manhattan Customers:

Effective July 1, 2018, a new pricing schedule will be implemented for the Edgewater to Midtown ferry

Since the start of Edgewater service in March of 2007, we have kept fares low whereby the operational costs have been absorbed by both NY Waterway and the Borough of Edgewater. After months of negotiation between NY Waterway and the Borough of Edgewater, we have both determined that we can no longer operate the premier service as complementing partners without an equitable fare increase to cover our expenses. NY Waterway has had substantial cost increases for fuel, labor, and insurance while the Borough of Edgewater has had similar increases within the same categories for operating the free shuttle buses as well as maintaining the ferry landing. Our premier service that we have been providing for over 10 years will continue with additional seating for both morning and afternoon trips. NY Waterway and the Borough of Edgewater will continue to do our utmost to operate the very best courteous, timely, and reliable service as part of the best ferry in the world.

Sincerely,

A handwritten signature in cursive script that reads 'Arthur E. Imperatore'.
