FOR IMMEDIATE RELEASE

NY WATERWAY COMMUTER FERRY/BUS NETWORK

NY Waterway operates the largest privately-owned commuter ferry service in the U.S., carrying more than 32,000 passenger trips per day – 10 million trips per year – on 31 boats serving 20 routes between New Jersey and Manhattan, and between Rockland and Westchester counties, and between Orange and Dutchess counties.

Thousands of NY Waterway ferry commuters save an hour or more per trip, the equivalent of a one-month vacation every year. Ferries provide comfortable seating in climate-controlled cabins, but many passengers elect to ride outdoors, experiencing the exhilaration of the trip and the breath-taking views. Passengers' biggest complaint is that the ride is too short.

A fleet of 80 NY Waterway buses provide a free, seamless commute between ferry terminals in New York and New Jersey and inland locations.

“Our commuter ferries provide safe, convenient and efficient commuter services, reducing traffic and pollution in the Metropolitan area,” says NY Waterway President & Founder Arthur E. Imperatore, who started the business in 1986.

Operating out of beautiful ferry terminals on both sides of the Hudson River, NY Waterway provides an unrivaled commuting experience.

Commuter routes include:

- Port Imperial in Weehawken NJ, to West 39th Street in Manhattan, all day, seven days a week;
- Port Imperial to World Financial Center, morning/evening rush hours, weekdays;
- Port Imperial to Pier 11 at Wall Street, morning/evening rush hours, weekdays;
- Lincoln Harbor, Weehawken, to West 39th Street, all day, weekdays;
- Hoboken's 14th Street to West 39th Street, all day, seven days a week;
- Hoboken's 14th Street to World Financial Center, morning/evening rush hours, weekdays;
