**STATEMENT BY NY WATERWAY PRESIDENT, CEO AND CHAIRMAN ARMAND POHAN ON 20<sup>TH</sup>  
ANNIVERSARY OF 9/11**

“This is always a somber day for the NY Waterway family. Many of our captains, crews and staff have indelible memories of the attacks and their aftermath.

“We were proud to serve on that day as part of the largest maritime evacuation in history. At NY Waterway, we bring people home. That’s what our people did when we rose to the moment 20 years ago. And it’s what we’ve done every day since.

“We’ll never forget the faces of those we lost and of all those who are still suffering with illness today. You are in our hearts and in our prayers.”

*On Saturday, Mr. Pohan will speak at the **Empty Skies Memorial Remembrance Ceremony** with local leaders, organizations and officials:*

*When: Saturday, September 11, 2pm*

*Where: Empty Sky Memorial, Liberty State Park, Jersey City, NJ*
